EDUCATION

HUMBOLDT UNIVERSITY, Berlin, Germany *September 2025 - Present*
Doctoral Researcher. Ph.D. candidate in Political Science
Dissertation title: *"Breaking Cycles of Violence: Investigating the Intergenerational Transmission of Conflict, and Violence and Understanding the Determinants of Effective Policy Pathways for Sustainable Peace and Development"*
Supervisors: Macartan Humphreys, Anselm Hager, Alexandra Scacco

THE UNIVERSITY OF CHICAGO, Chicago, IL, USA *August 2022 - June 2024*
Master of Public Policy, with Honors (GPA: 3.8)
Master's Thesis: *"Profiling Extremism Hotspots: Identifying High-Risk Provinces for Violent Extremism in Burkina Faso Using Machine Learning"*
Supervisor: Benjamin Krause

PONTIFICIA UNIVERSIDAD CATÓLICA DE CHILE, Santiago de Chile, Chile *August 2021 - December 2021*
Impact Evaluation of Programs and Public Policies Diploma (GPA: 3.6)
Graduating Project: *"Impact Evaluation Pre-Analysis Plan for the UNPD's program "Impulso Local"*, in Colombia"

UNIVERSIDAD DEL PACÍFICO, Lima, Peru *January 2013 - December 2017*
B.Sc. in Economics, Minor in Public Economics
Graduating Thesis: *"Public and Private Investment in Local Development as Mediators of International Price Shocks and Mining Conflicts in Peru"*
Supervisor: Matthew Bird

PROFESSIONAL EXPERIENCE

WZB Berlin Social Science Research Center
Doctoral Research Fellow *July 2025 - Present*

- Part of the Institutions and Political Inequality department at the WZB Berlin Social Science Research Center
- In charge of designing and conducting research projects on the department's agenda around political violence, conflict, development economics and peacebuilding.

Equilibrium Social Development Consulting
Quantitative Research Consultant *June 2024 - September 2025*

- Led quantitative research projects and consulting services related to Migration, Water and Sanitation, Access to Health, and Financial Inclusion in Colombia, Paraguay, and Peru.

Fundación Capital
Head of Data & Research (previously M&E Coordinator and Quantitative Research Specialist) *August 2019 - July 2026*

- Designed and executed quantitative results analysis and impact evaluation strategies of 30 different technology-based international development projects in partnership with national and local governments, private financial institutions, and international cooperation across 10 countries with a reach of approximately 400,000 beneficiaries. Academic articles and technical notes authored.
- Led design and implementation of Performance Management Systems at the organization's core to strengthen monitoring and evaluation work across +15 Fundación Capital projects. Conducted an organization-wide training regarding design, management, and use of Performance Management Systems for more than 60 project managers and field staff.

The World Bank: DIME
Research Analyst; Short-Term Consultant *June 2023 - August 2023 / July 2024 - July 2025*

- Member of the Development Impact Evaluation Department at The World Bank as an Economist. Provided technical support on the endline data processing and analysis of the impact evaluation of the water governance RCT "Maji Endelevu" in Tanzania. Led the production of the academic paper.

Center for the Economics of Human Development at the University of Chicago
Graduate Research Assistant *August 2022 - September 2023*

· Guided the elaboration of the research plan of a Home Visiting initiative targeted toward underserved families in situations of economic vulnerability. Designed the experimental design (RCT) to evaluate the program rigorously and guided the performance management system's elaboration to strengthen its monitoring during the 5 years of implementation.

International Initiative for Impact Evaluation
Research Associate: Consultant *April 2022 - August 2023*

· Conducted impact evaluation analysis of two poverty graduation and food security programs in Colombia and Guatemala involving +20,000 participants using a Regression Discontinuity Design and experimental approaches (RCTs)
· Improved implementation of data transparency and reproducibility protocols from +20 impact evaluations and research projects undertaken by 3ie and third parties.

Peruvian Society of Foreign Trade
Economic Research Analyst *June 2019 - August 2022*

· Authored 71 weekly articles (to date) on political economy, foreign trade, infrastructure, and economic and social competitiveness issues, among other topics, with a high impact on public policy decisions, released in institutional journal. Managed collaborations with policymakers from public entities to strengthen the use of data and evidence in the design of economic and social policy
· Guided econometric analysis based on public data regarding Micro and Small Enterprises (MSEs) competitiveness and formalization, Tourism sector competitiveness, and Quality and efficacy of public expenditure. Created the "Regional Tourism Competitiveness Index" and the "Formal Capacities Index of MSEs",

Universidad del Pacífico Research Center
Graduate Research Analyst *August 2018 - March 2020*

· Led academic research and consulting work for public and private organizations regarding the quantitative and qualitative evaluation of development programs and social investment in Latin America with Professor Ph.D. Matthew Bird.
· Co-designed and performed impact evaluation of the Collective Reparations Program of communities victims of terrorism in Peru using a Regression Discontinuity Design (RDD) (Forthcoming paper).
· Co-developed and performed impact evaluation of technology-based financial inclusion programs (RCTs) for women in rural Mexico, Honduras, and Colombia (Published paper).
· Conducted quantitative analysis of the intergenerational transmission of armed conflict effects in Peru (Forthcoming paper).
· Co-developed and performed mixed methods strategies for diagnosis and measurement of organizational capacity of institutional philanthropy in five countries in Latin America with university-funded trips for book launch events, seminars, and work meetings (Published book chapter).

Instiglio
Projects analyst *January 2018 - August 2018*

· Improved statistical analysis processes and design strategy of Result-Based Financing and Performance Management projects for international development programs and public policies in Peru, Colombia, and Liberia.
· Guided and designed in-depth quantitative analysis strategies for impact evaluations and results verification strategies of Results-based Financing projects with a focus on education and rural development in Latin America.

TEACHING EXPERIENCE

University of Chicago, Harris School of Public Policy
Teaching Assistant (Custom Programs) *October 2026 - November 2026*

· DSC GDP7: remote teaching support for non-degree professional training for policy professionals in Saudi Arabia.
· Advanced Policy Evaluation - Prof. Sheng-Hao Lo
· Policy Analysis - Prof. Sheng-Hao Lo
· Economic Modeling and Forecasting - Prof. Sheng-Hao Lo

Hertie School
Graduate Teaching Assistant *January 2026 - Present*

- GRAD-C6-2001: Statistics II: Statistical Modeling and Causal Inference
- GRAD-C5: Statistics I: Inference and Regression

University of Chicago, Harris School of Public Policy
Teaching Assistant (Custom Programs) *November 2025*

- Mastering Public Policy Practices (DSC GDP6)

ProImpacto - School of Economics and Public Policy
Lecturer *June 2024 - September 2024 / September 2025 - October 2025*

- Randomized Controlled Trials
- Causal Machine Learning
- Impact Evaluation Methods for Public Policy Analysis
- Causal Mediation Analysis

Equilibirum Social Development Consulting
Lecturer - Diploma on Data Science *August 2024*

- Unsupervised Machine Learning

University of Chicago
Graduate Teaching Assistant *August 2023 - June 2024*

- Math and Coding Camp
- PBPL 20000 Economics for Public Policy - Prof. Carolyn Sloane
- PPHA 32310 Advanced Microeconomics for Public Policy - Prof. Steven Durlauf
- PPHA 31302 Advanced Statistics for Data Analysis II - Prof. Bruce Meyer
- PPHA 58002 Data Analytics II: Introduction to Program Evaluation - Prof. Christopher Clapp
- PPHA 34600 Program Evaluation - Prof. Fiona Burlig
- PPHA 41850 Modern Survey Research Methods and Techniques - Prof. John Bremer

Universidad del Pacífico
Undergraduate Teaching Assistant *March 2016 - December 2017*

- Econometrics I - Prof. Pablo Lavado

CURRENT RESEARCH PROJECTS

Zavala, Jorge (2026). Social Conflict and State Response in Peru: A Relational Database
Research/data-infrastructure project, in development *2026 - Present*

- Potential dissertation book chapter.
- Developing a longitudinal relational database from the monthly social-conflict reports of Peru's Defensoría del Pueblo, with documentary provenance and source-based validation, to support research on conflict trajectories and state–society relations.

PUBLICATIONS

Selected Work in Progress

- Zavala, Jorge (2026). *Political Economy of Collective Reparations in Peru.* Work in progress. Potential dissertation book chapter.
- *Evaluating Coercive Governments Abroad: Threat, Performance, and Electoral Democracy* (working title). With Daniel Kuhlen and Giovanna Lapresa. Work in progress.
